FIG. 7 is a schematic diagram of a device 700. The device 700 is a rectangular structure divided into three vertical sections. The leftmost section is labeled 130 and is white. The middle section is labeled 140 and is filled with a dense stippled pattern. The rightmost section is labeled 110 and is white. An arrow points from the label 700 to the right edge of the rectangle.
